

Kids Public × Hino city

Only available for residents of Hino city (trial until March 31, 2023)

You get a **professional consultation** with
a pediatrician, obstetrician / gynecologist,
or midwife on your smartphone **for free**
as many times as you like.

My baby's skin
doesn't get better.
How can I help?

I'm worried about
bad feeling during
premenstrual period
Is there any solution?

My child is going
through the terrible
twos right now,
and I need some advice
on good communication
with my child.

My child was absent
from nursery
because of diarrhea,
and I want to know when
he is able to go again.

Meet a few of our care providers!

Sayoko Shirai

Pediatrician

General pediatric consultation

I will do my best to bring you peace of mind and smiles, while utilizing my perspective as a mother.

Ai Ota

Midwife

General midwifery consultation (breastfeeding etc.)

I am a mother of two children.
Please feel free to ask me anytime.

Rena Toriumi

Obstetrician and gynecologist

General obstetrics and gynecology consultation

I keep in mind to give advice that is easier to understand. Feel free to ask me anything..

Takeshi Chiba

Pediatrician

General pediatric consultation, allergy and infectious diseases

Please ask me anything that you worry about.
It doesn't matter if it's trivial or not.
