

Kids Public × Hino city

Only available for residents of Hino city

You get a **professional consultation** with
a pediatrician, obstetrician / gynecologist,
or midwife on your smartphone **for free.**

My baby's skin
doesn't get better.

How can I help?

I'm worried about
bad feeling during
premenstrual period.

Is there any solution?

My child is going
through the terrible
twos right now,

and I need some advice
on good communication
with my child.

My child was absent
from nursery
because of diarrhea,

and I want to know when
he is able to go again.
